## Lesson Policies

### Fees

- \$30.00/half-hour, \$50.00/hour
- For weekly students, tuition is billed by month
- Payment is due at the first of each month
- A fee of \$15 will be charged for any payment received more than seven days after the due date.
- A fee of \$30 will be charged for each returned check.

### Cancellations

- If you know you must miss a lesson, please call me *immediately* at (480) 235-1390 or email me at [wordenpercussion@gmail.com](mailto:wordenpercussion@gmail.com). **FOR A CANCELLATION ON THE DAY OF YOUR LESSON, please call Drew at (480) 235-1390.**
- Cancellations for credit or non-payment are not allowed.
- If I need to miss a lesson, I will contact you at least 48 hours ahead of time to reschedule or give you a makeup voucher.
- Provided a student gives more than 48 hours notice of any absence, the student will receive a voucher good for one makeup lesson to be taken within the next sixty days. This makeup lesson will be in addition to regularly-scheduled lessons (ie, extending a half-hour lesson to a one-hour lesson, or having two lessons in a given week). The student is responsible for contacting me to schedule a makeup lesson before the expiration of the voucher. A makeup lesson can be taken BEFORE a planned absence.
- Whenever there are upcoming openings in my schedule, I will notify you by email. If you have a makeup voucher that is about to expire, and you can't find an opening that works, please tell me. I will find a slot for you.
- If less than 48-hour cancellation notice is given for any reason, the lesson is forfeited by the student, and no makeup lesson will be scheduled. There will be no exceptions to this policy.
- No cash refunds will be made under any circumstances.

## Lesson Materials

- The student must own, rent, or have access to the instruments studied in lessons. Also necessary for daily practice is a *metronome*, a *music stand*, and *earplugs* (for loud snare drum, drum set, and bells). The student must bring a *notebook*, the necessary *sticks*, and appropriate *method books* to every lesson. It is not necessary for the student to bring an instrument to the lesson unless it needs tuning or repair.

## Practice

- It is important for the student to commit to daily practice. The amount of time per day depends on each student's goals and should never be less than 15 minutes per day.
